OPINION: UPON INVESTIGATION, CRASH WAS CAUSED BY

In this officer's opinion the driver of V1 was at fault for both the initial MV-MV in Transport crash (Connecting Case 25C207491) as well as the pedestrian crash that immediately followed. This Officer believes the driver was driving recklessly and attempted to weave through traffic at a high rate of speed and then in trying to flee the scene of the vehicle crash, D1 disregarded a red light, crashing into the pedestrian.
